Fall is here, and Christmas will soon take all our attention. Here are a few lines that sell well from Thanksgiving and into the New Year. Call your GSA sales representative today for more details in these two profit making Fall- winter lines today.

Emsco Group: Snow sleds, snow shovels, snow toys, and ice scrapers! We have everything you need to get you through the winter months. Sleds & toys like a snowball thrower for Christmas and those snowy days when the kids are out of school. Snow shovels to keep your driveway and sidewalks cleared, and ice scrapers to keep your vehicle's view ice and snow free all winter long. Call us quick, it's not too late to get your order in this fall.

Wild Life Science Suet: With cool weather here, and the bugs long gone, it is to ramp up our bird feeding products in the store. WLS offers a full line of suet cakes, suet plugs, suet balls, suet feeders, variety packs, and our new "Feedies" disposable suet holders. This line offers the only true environmentally friendly product on the market today. Our candy bar style wrapper that is 100% recyclable, along with the suet (no poly tray) that the birds will eat 100% of the time. This also alleviates the mess associated with feeding suet cakes. We also offer some of the most competitive prices on the market today. Call your GSA representative today for a quote on this high volume line for your fall and winter sales.
